Code Ann. § 10-7-501, et seq.

The TPRA provides that all state, county and municipal records shall, at all times during business hours, which for public hospitals shall be during the business hours of their administrative offices, be open for personal inspection by any citizen of this state, and those in charge of the records shall not refuse such right of inspection to any citizen, unless otherwise provided by state law. If the records custodian is uncertain that an applicable exemption applies, the custodian may consult with the PRRC, counsel, or the OORC.
2. If not practicable to promptly provide requested records because additional time is necessary to determine whether the requested records exist; to search for, retrieve, or otherwise gain access to records; to determine whether the records are open; to redact records; or for other similar reasons, then a records custodian shall, within seven (7) business days from the records custodian's receipt of the request, send the requestor a completed Public Records Request Response Form which is attached, based on the form developed by the OORC.
3. If a records custodian denies a public record request, he or she shall deny the request in writing as provided in Section III.A.2.b using the Public Records Request Response Form.
4. If a records custodian reasonably determines production of records should be segmented because the records request is for a large volume of records, or additional time is necessary to prepare the records for access, the records custodian shall use the Public Records Request Response Form to notify the requestor that production of the records will be in segments and that a records production schedule will be provided as expeditiously as practicable. If appropriate, the records custodian should contact the requestor to see if the request can be narrowed.
5. If a records custodian discovers records responsive to a records request were omitted, the records custodian should contact the requestor concerning the omission and produce the records as quickly as practicable.

C. Redaction

1. If a record contains confidential information or information that is not open for public inspection, the records custodian shall prepare a redacted copy prior to providing access. If questions arise concerning redaction, the records custodian should coordinate with counsel or other appropriate parties regarding review and redaction of records. The records custodian and the PRRC may also consult with the OORC or with the Office of Attorney General and Reporter.
