

CITY OF LEBANON SANITATION DEPARTMENT RESIDENTIAL PICK-UP POLICY

These are the things we ask of you:

- Only put household garbage in the cart. (Please no liquids, wood, metal, bricks, dirt, ashes, feces, urine, hazardous material etc.)
- Place your cart within six to eight feet of curb by 7:00 a.m. on day of collection.
- Remove cart so it is not visible from the street by 7:00 p.m. on your collection day.
- In the event you move, please allow the cart to remain at the residence to which it is assigned.

This is what we will do:

- Give you one cart at no cost.
- Empty your cart once per week.
- Maintain a timely schedule.
- Provide special services for elderly, handicap or disabled persons unable to push cart to the street.
- Provide our new residents a one-time moving boxes pickup service. Upon request, if a new resident has broken down boxes we will provide this service. Pickup for these boxes may not necessarily be the same day as garbage pickup.

If you have any questions, please call the City of Lebanon, Sanitation Department at 444-0825 ext. 121.

Thank you for your cooperation.
