There are 8 thirty minute classes  
that meet Monday thru Thursday  
per session.

Our instructors are WSI certified by the  
American Red Cross.

Instructor to student ratio for Preschool  
Aquatics and LTS Level 1 and Level 2 is  
1 to 4.

The instructor to student ratio for LTS  
Levels 3 and 4 is 1 to 5 and 1 to 6.

We strive to keep our classes small so  
your child gets as much out of the classes  
as possible.

**The Jimmy Floyd Family Center offers American Red Cross Water Safety Instruction Classes including two levels of Parent and Child Aquatics; three levels of Preschool Aquatics and four levels of Learn to Swim lessons.**

**Parent and Child (PAC)** - our Parent and Child Aquatics Classes, are primarily for children 6 to 24 months of age and their parents. These classes introduce basic skills to parents and children and teach parents how to safely work with their child in the water.

**Preschool Aquatics** – Primarily for children 3 to 5 years of age, these classes promote the developmentally appropriate learning of fundamental water safety and aquatic skills.

**Learn to Swim (LTS)** – Teaches aquatic and personal water safety skills in a logical progression.

**LTS Level 1-** Introduction to water skills and safety information

**LTS Level 2-** Fundamental Aquatic Skills and safety information

**LTS Level 3** – Stroke Development

**LTS Level 4** – Stroke Improvement

**LTS Level 5-6** – Call the Aquatics Dept.

## IMPORTANT NOTE

We have found it beneficial that parents leave the pool deck during instruction simply because the presence of a parent can distract a child from learning. Therefore, you may be asked by the instructor to leave the deck if children are distracted from the class.

On the last day of class you are welcome to stay and see what they have learned. For your safety concerns all of our instructors have completed a 31 hour Water Safety Course and a 28 hour Life guarding class. There will be a minimum of 3 instructors in the water and a lifeguard on the stand or on deck.

**Children should continue to take lessons until they are completely comfortable in the water and can swim a minimum of 50 yards on their front and back and can float on their back for two minutes. While sessions are designed to promote each swimmer through one level, it is not uncommon for a swimmer to need to repeat a level.**

**Please see the Aquatics Directors if you have any questions or concerns. We welcome your comments.**
