Please rate your overall satisfaction with the following characteristics within the city limits of Lebanon

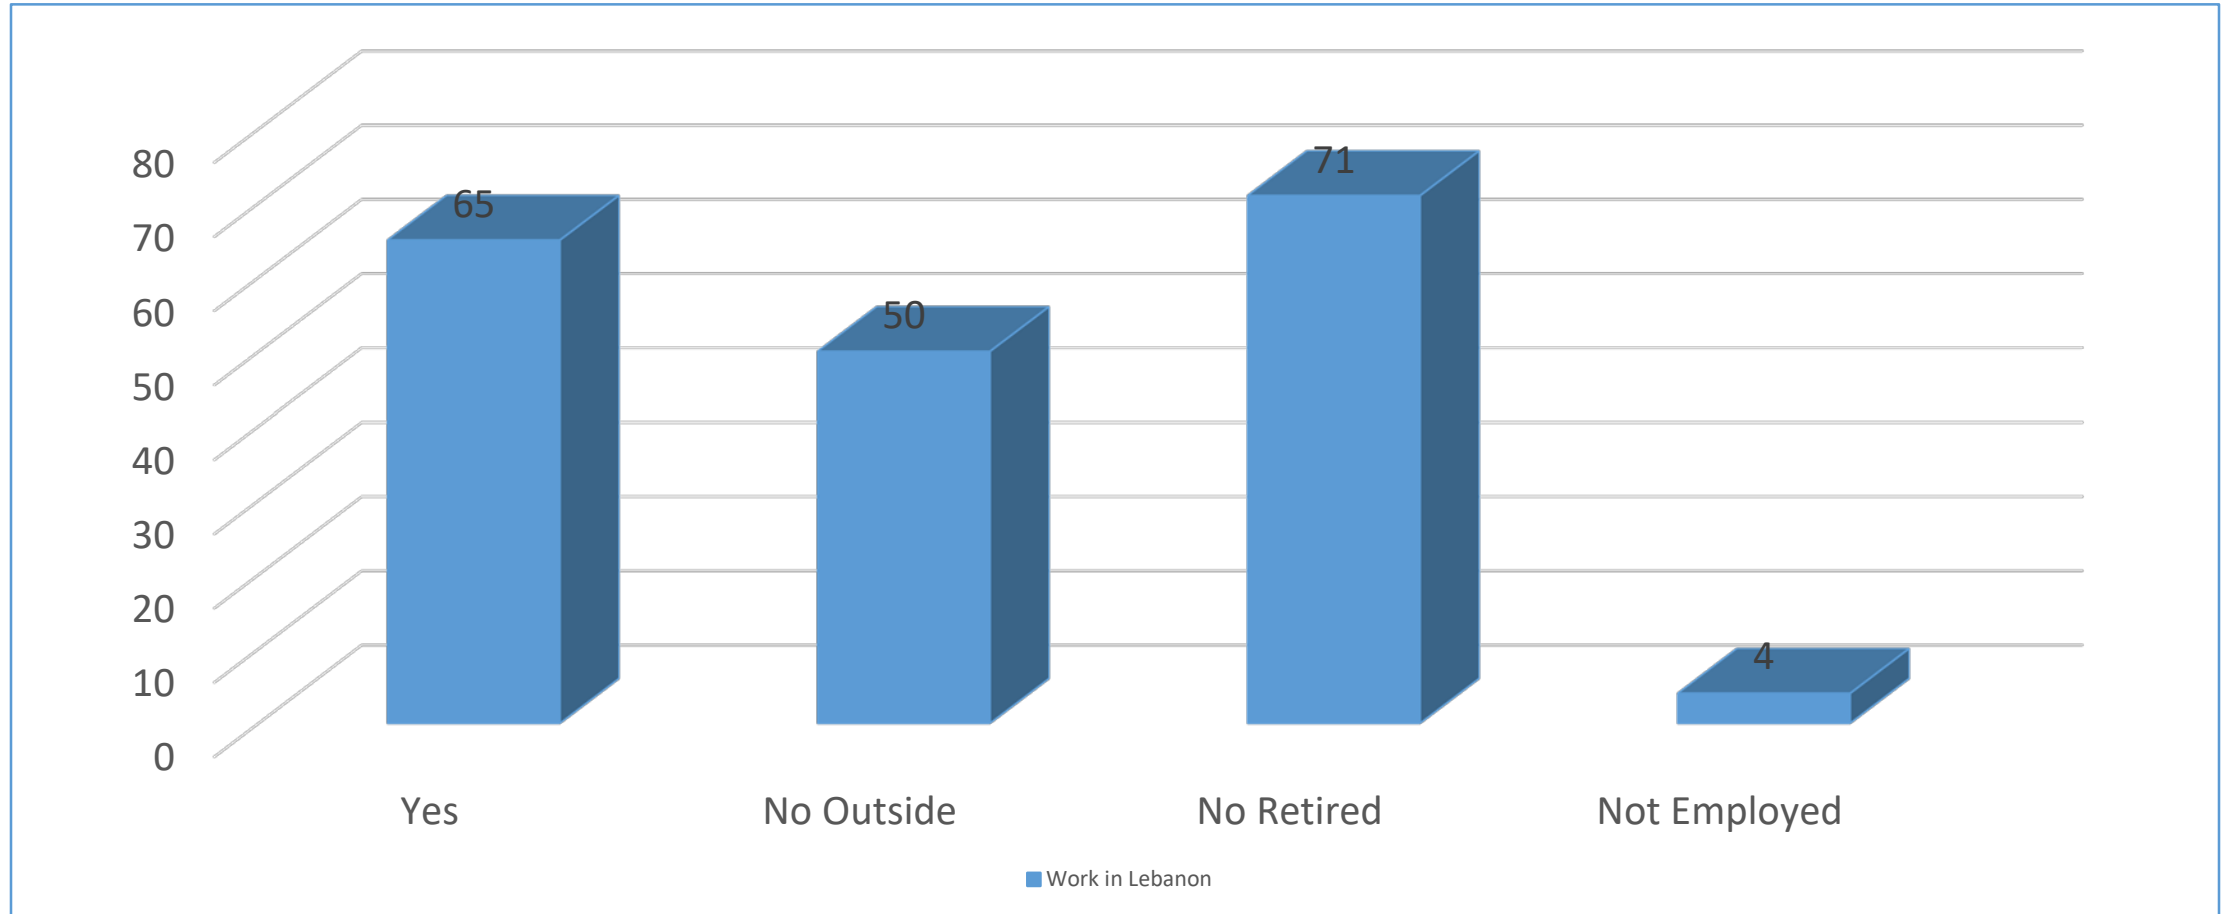

How often does someone in your household use each park? (Daily, weekly, monthly or yearly):

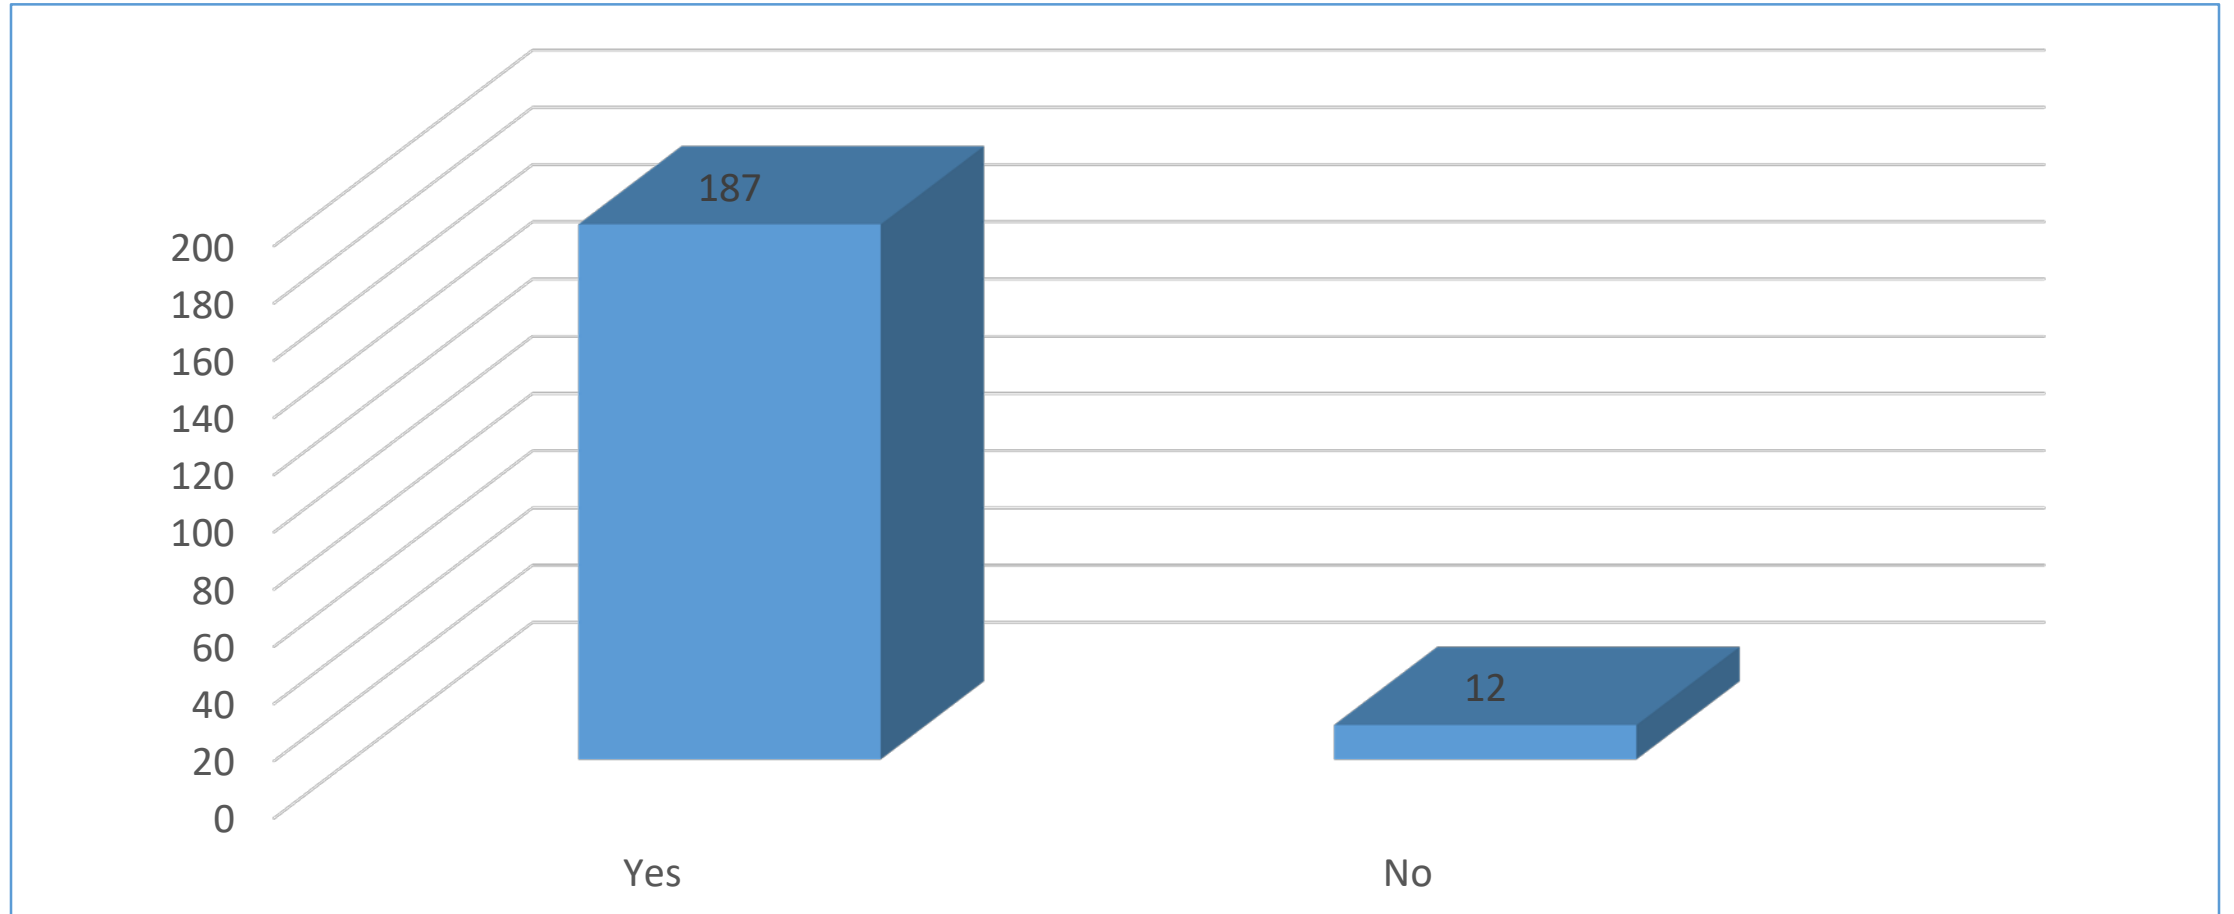

Which of the following activities would someone in your household participate in if the city provided it?

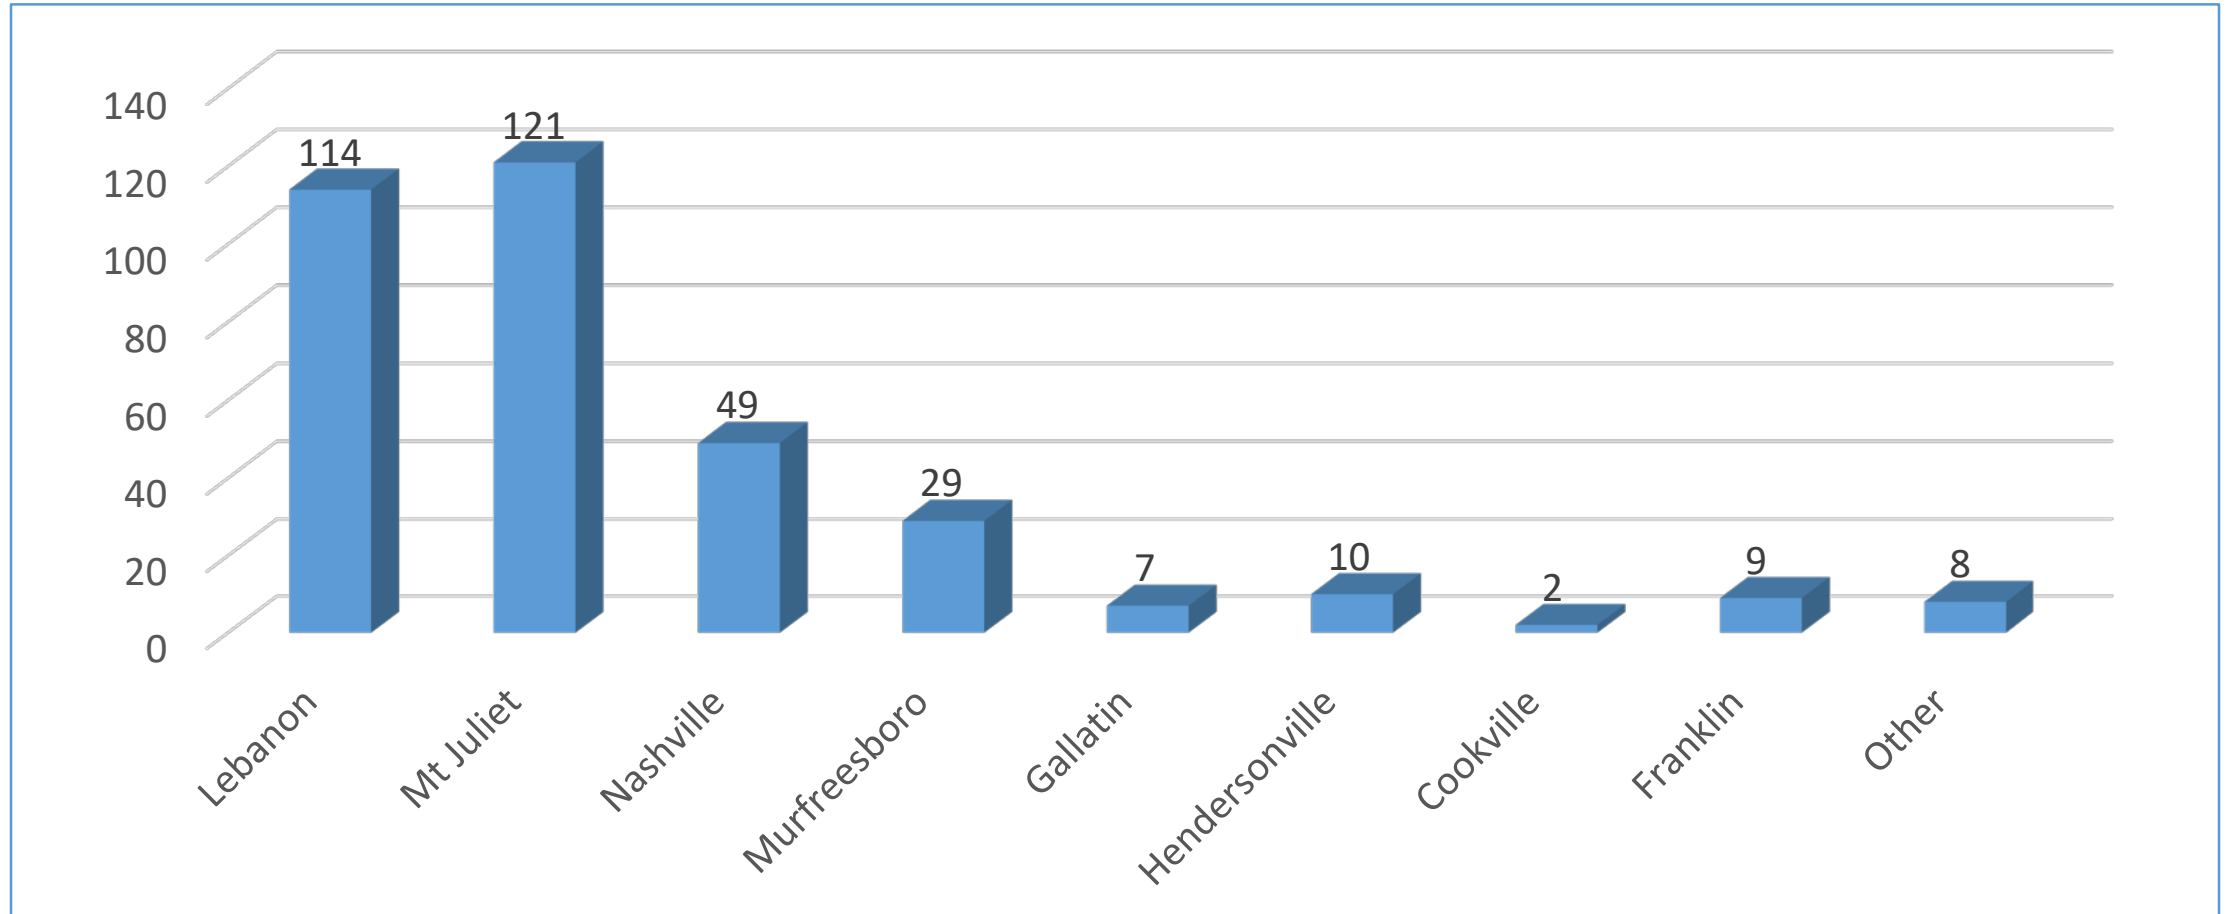

Do you work in the City of Lebanon?

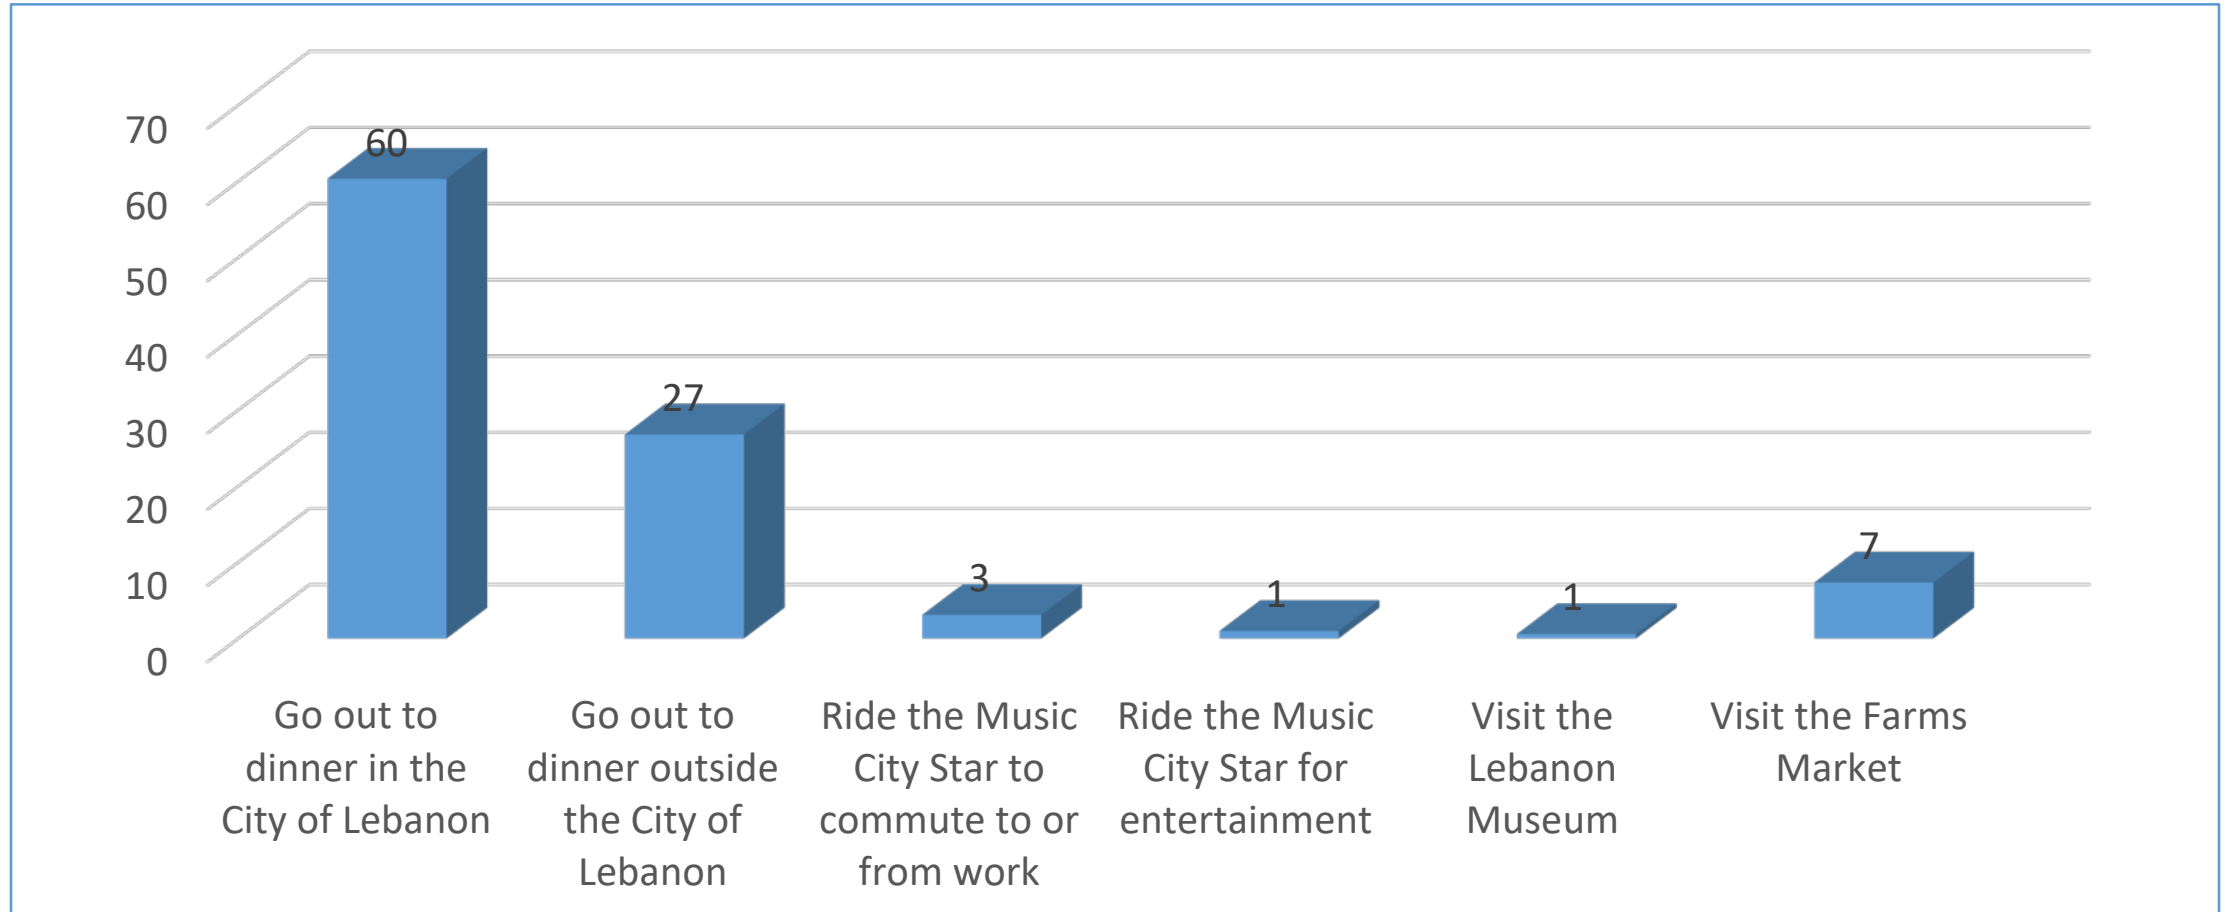

Do you primarily buy groceries in the City of Lebanon?

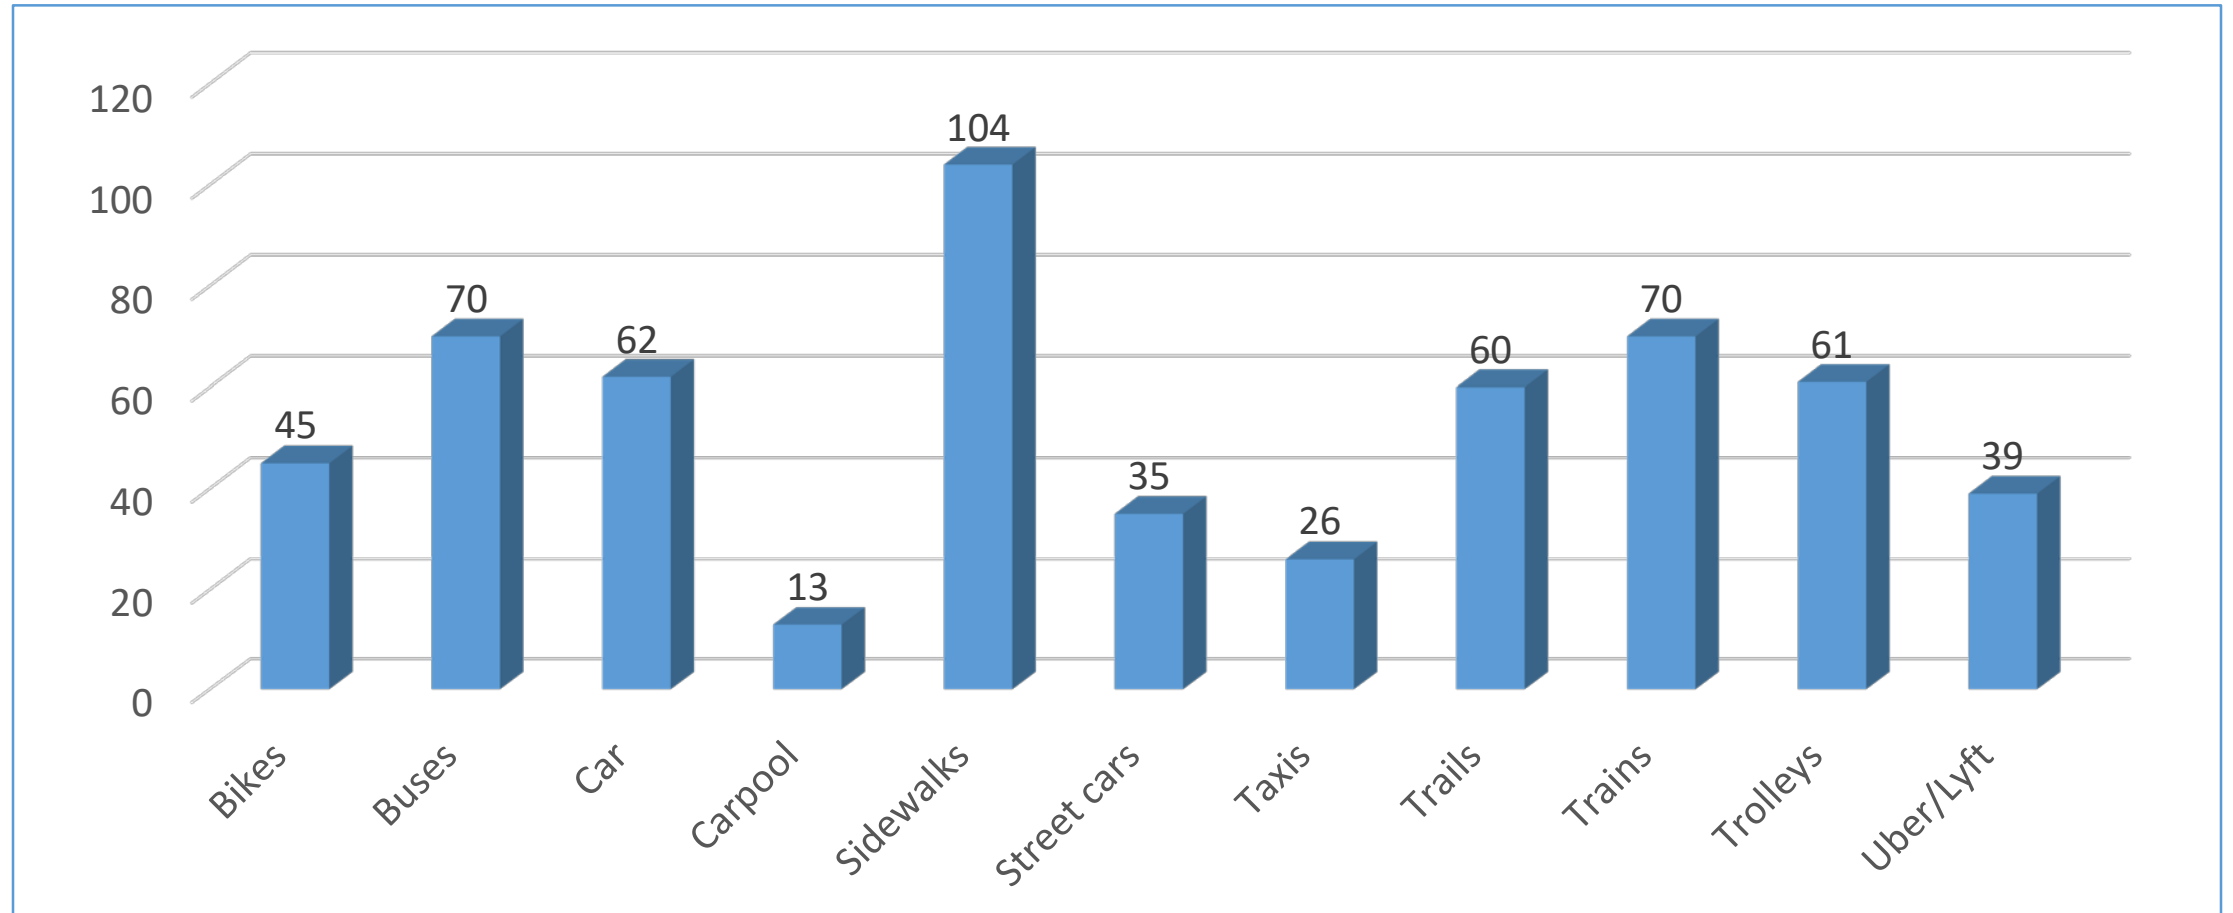

Not including groceries, where do you primarily shop?

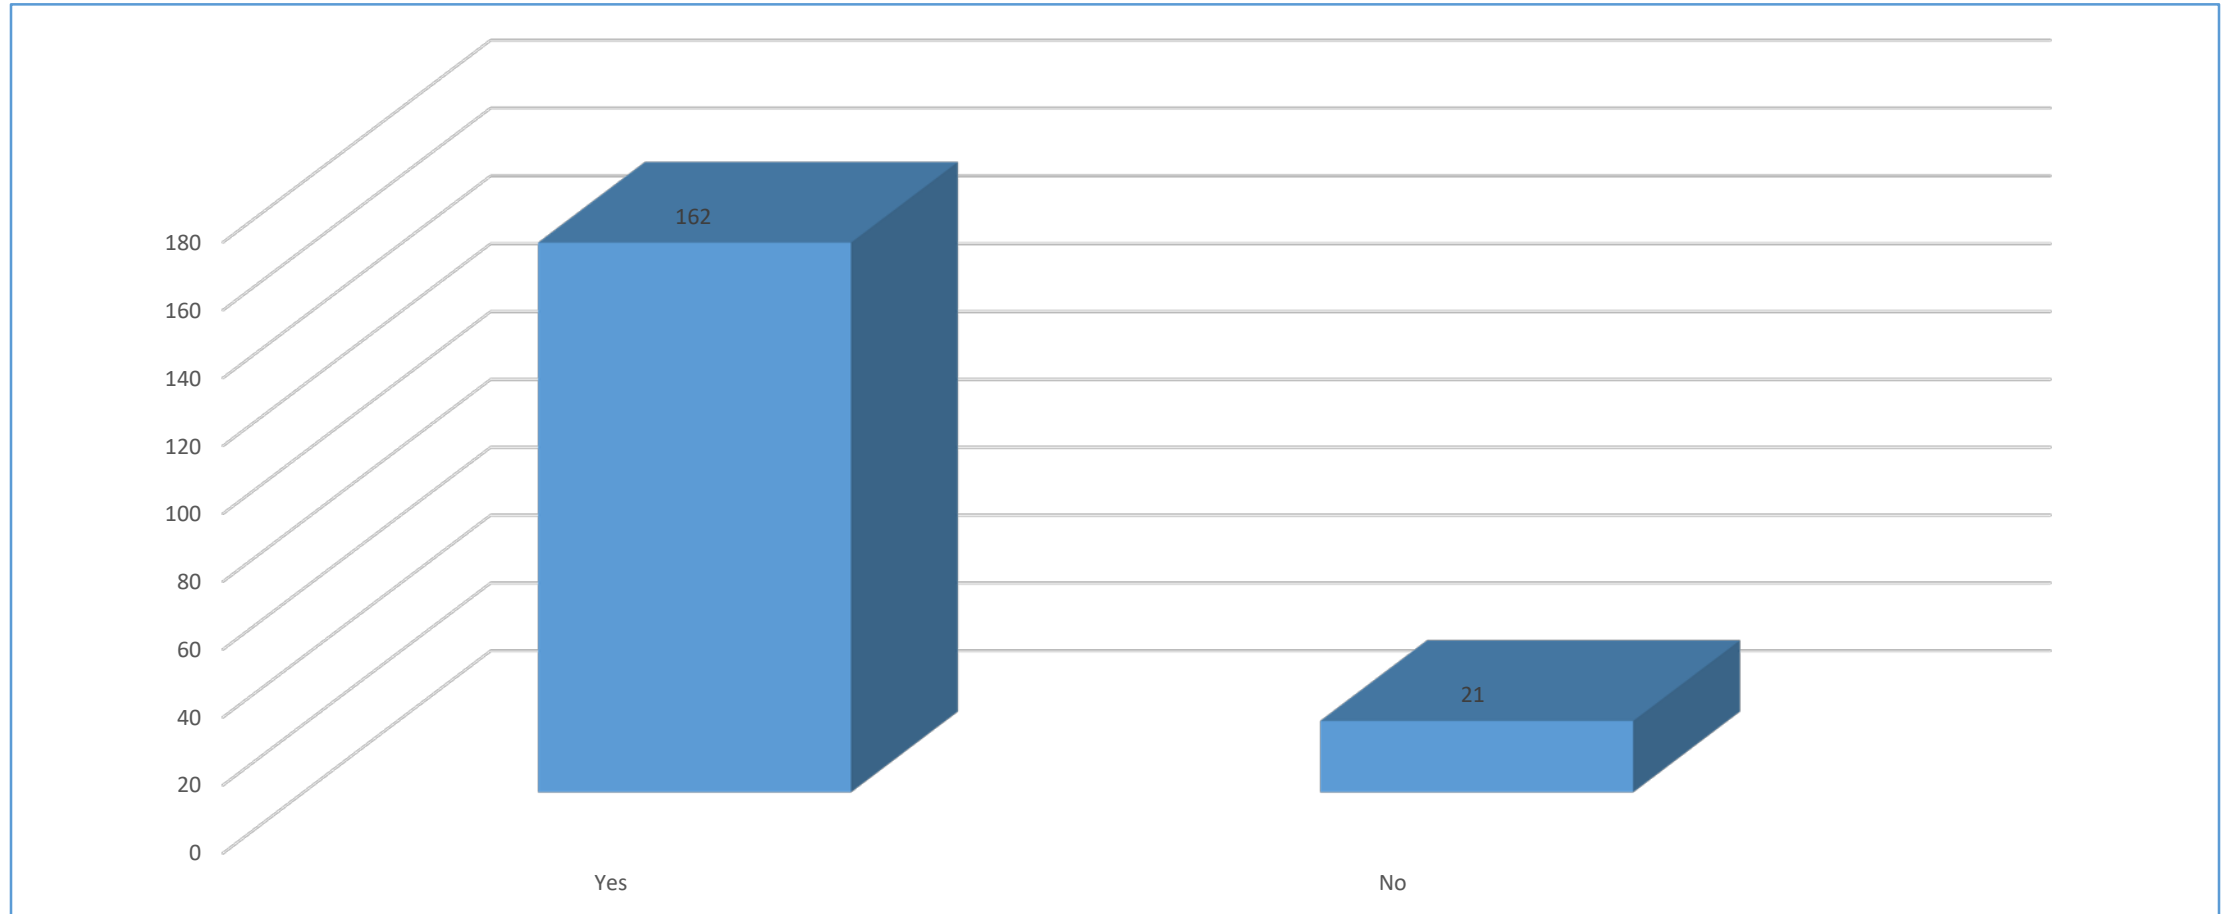

How often do you (days per year):

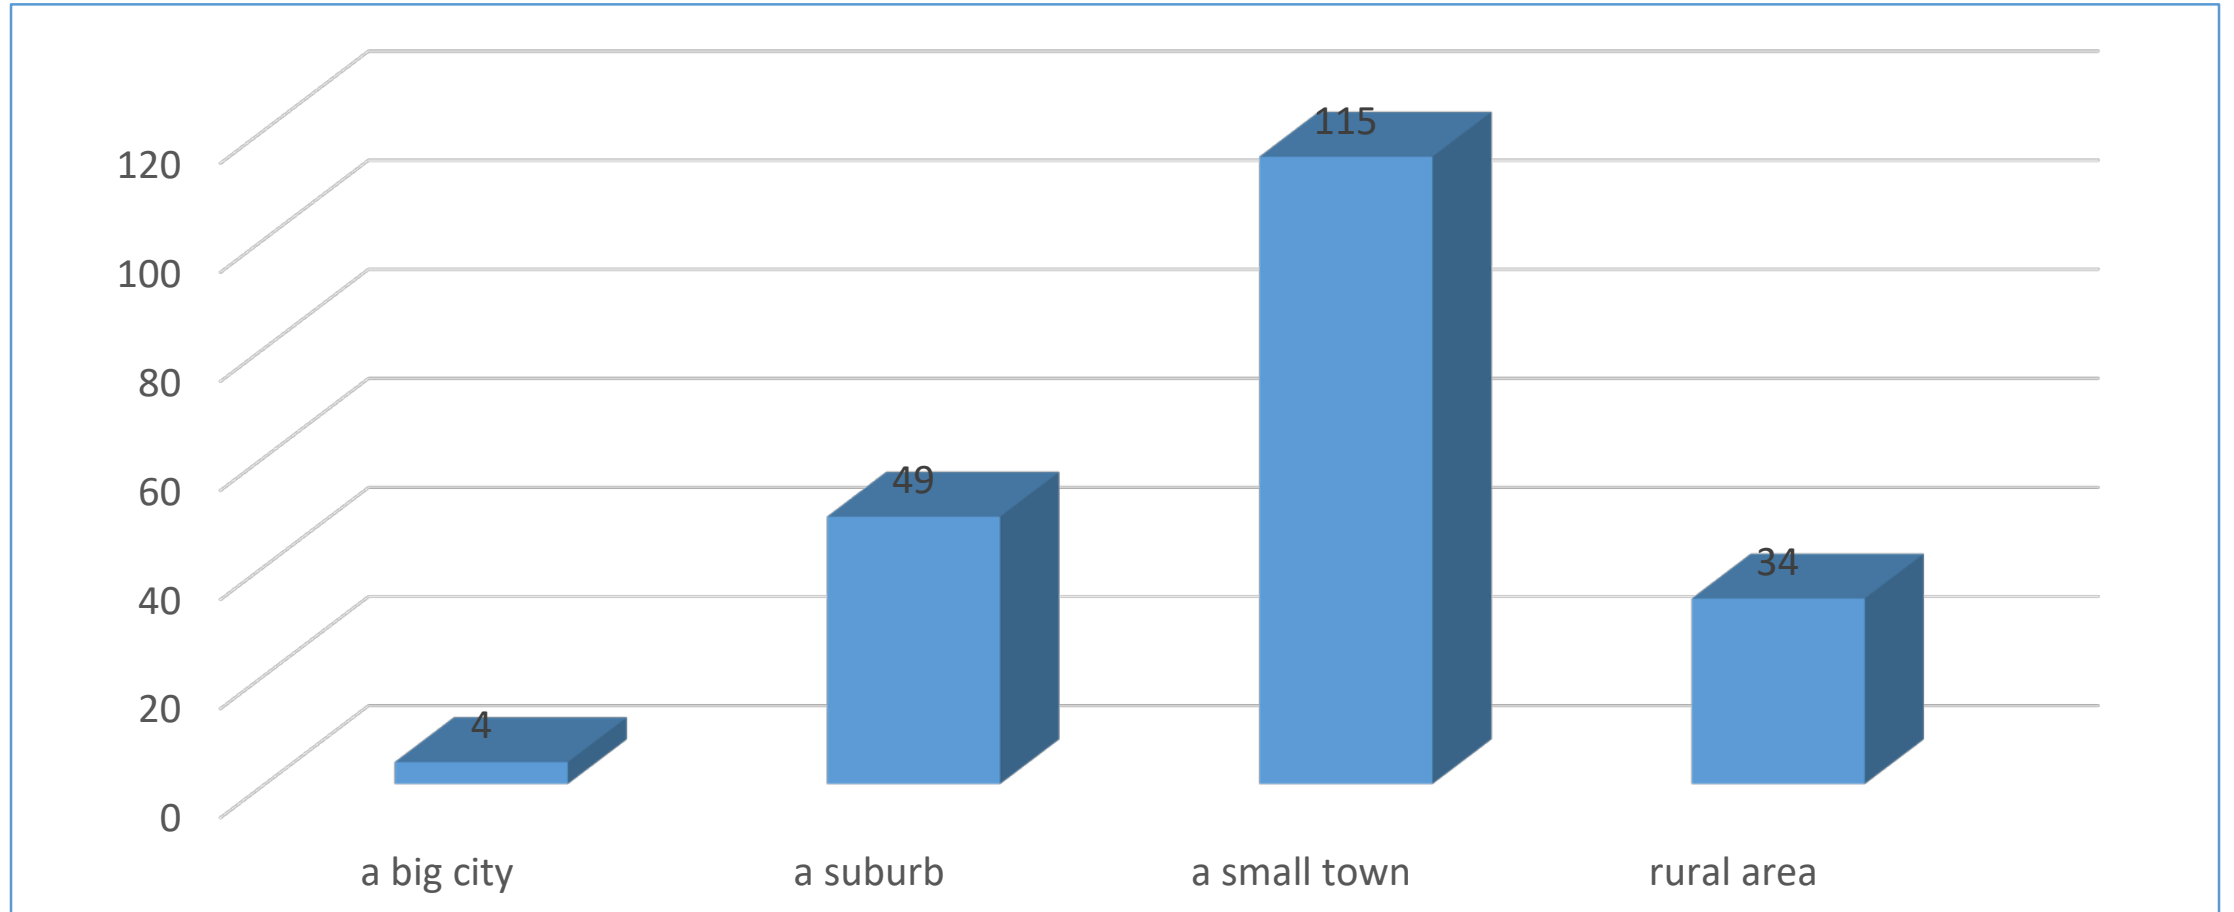

What kind of transportation would you use if it was provided?

Is your neighborhood a good place to raise children?

If you could live anywhere would you choose

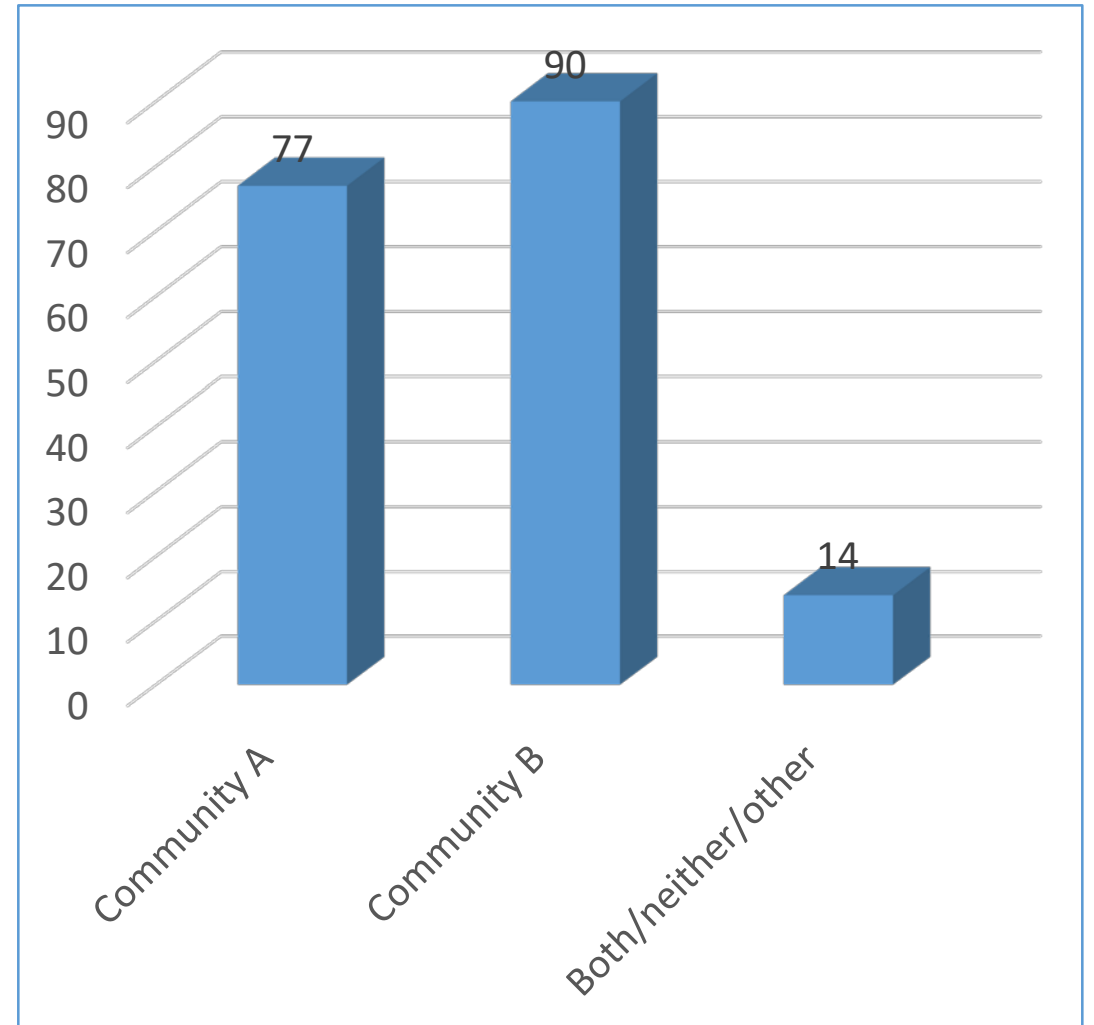

If given the choice which one of the following communities would you prefer to live in?

Community A:

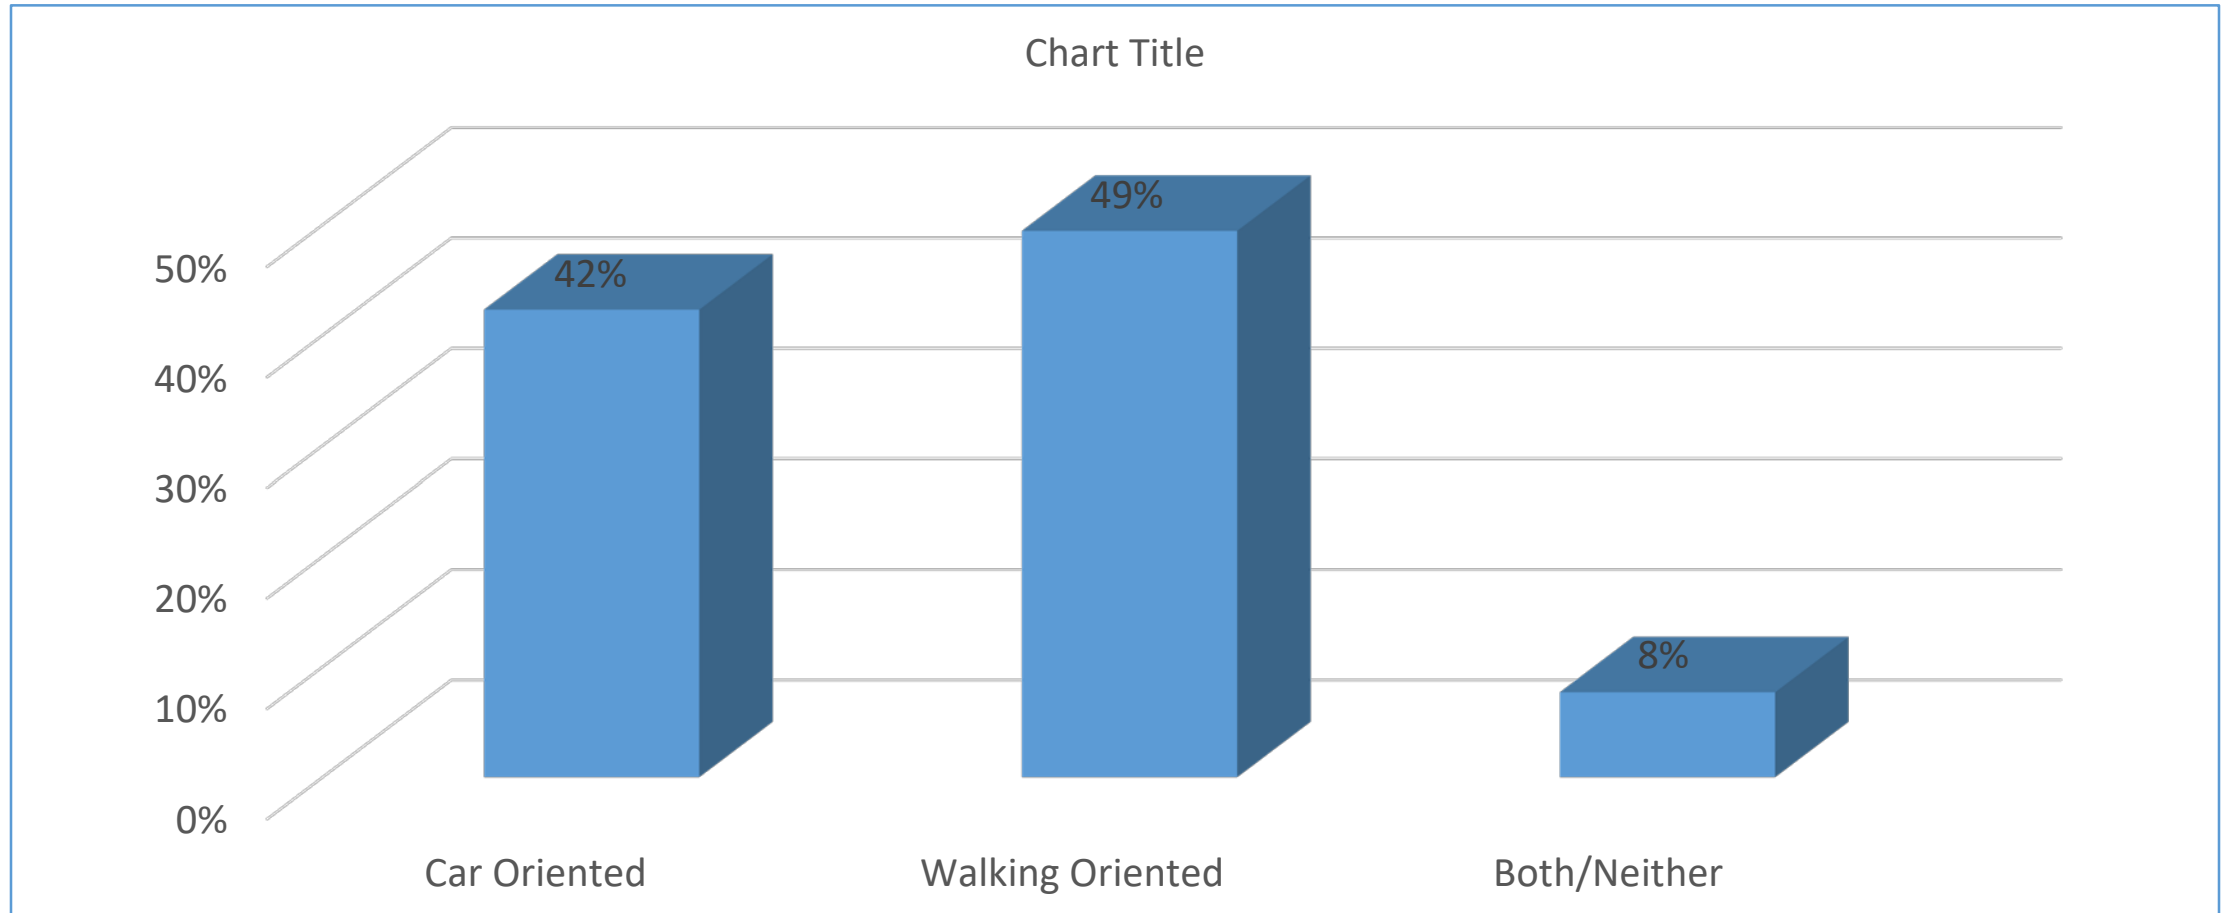

- There are only single-family houses on large lots.
- There are a few sidewalks and they are disconnected.
- Places such as shopping, restaurants, a library, and a school are within a few miles of your home and you have to drive most places.
- There is enough parking when you drive to local stores, restaurants, and other places.
- Public transportation such as bus or commuter rail is distant or unavailable.

Community B:

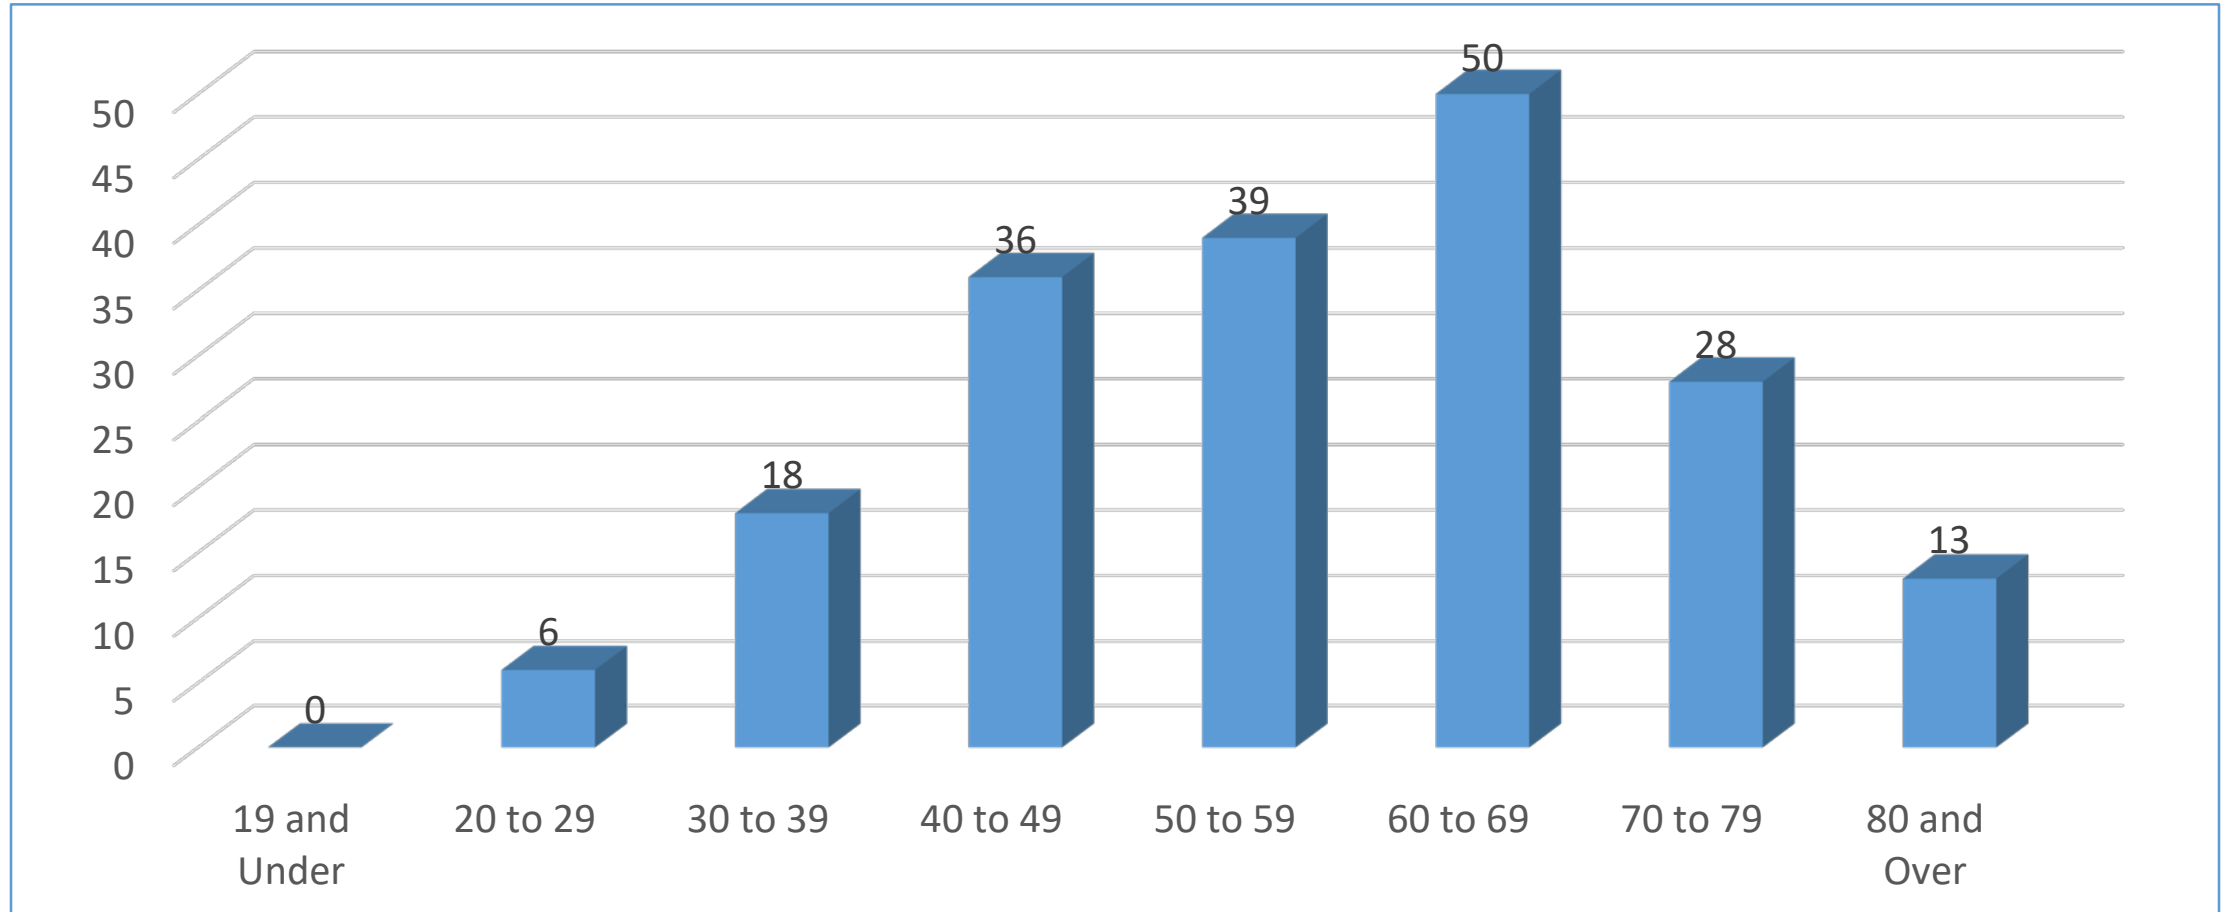

- There is a mix of single-family houses, townhouses, apartments, and condominiums on various sizes lots.
- Almost all of the streets have sidewalks.
- Places such as shopping, restaurants, a library, and a school are within a few blocks of your house and you can either walk or drive.
- Parking is limited when you decide to drive to stores, restaurants, and other places.
- Public transportation, such as bus or commuter rail are nearby.

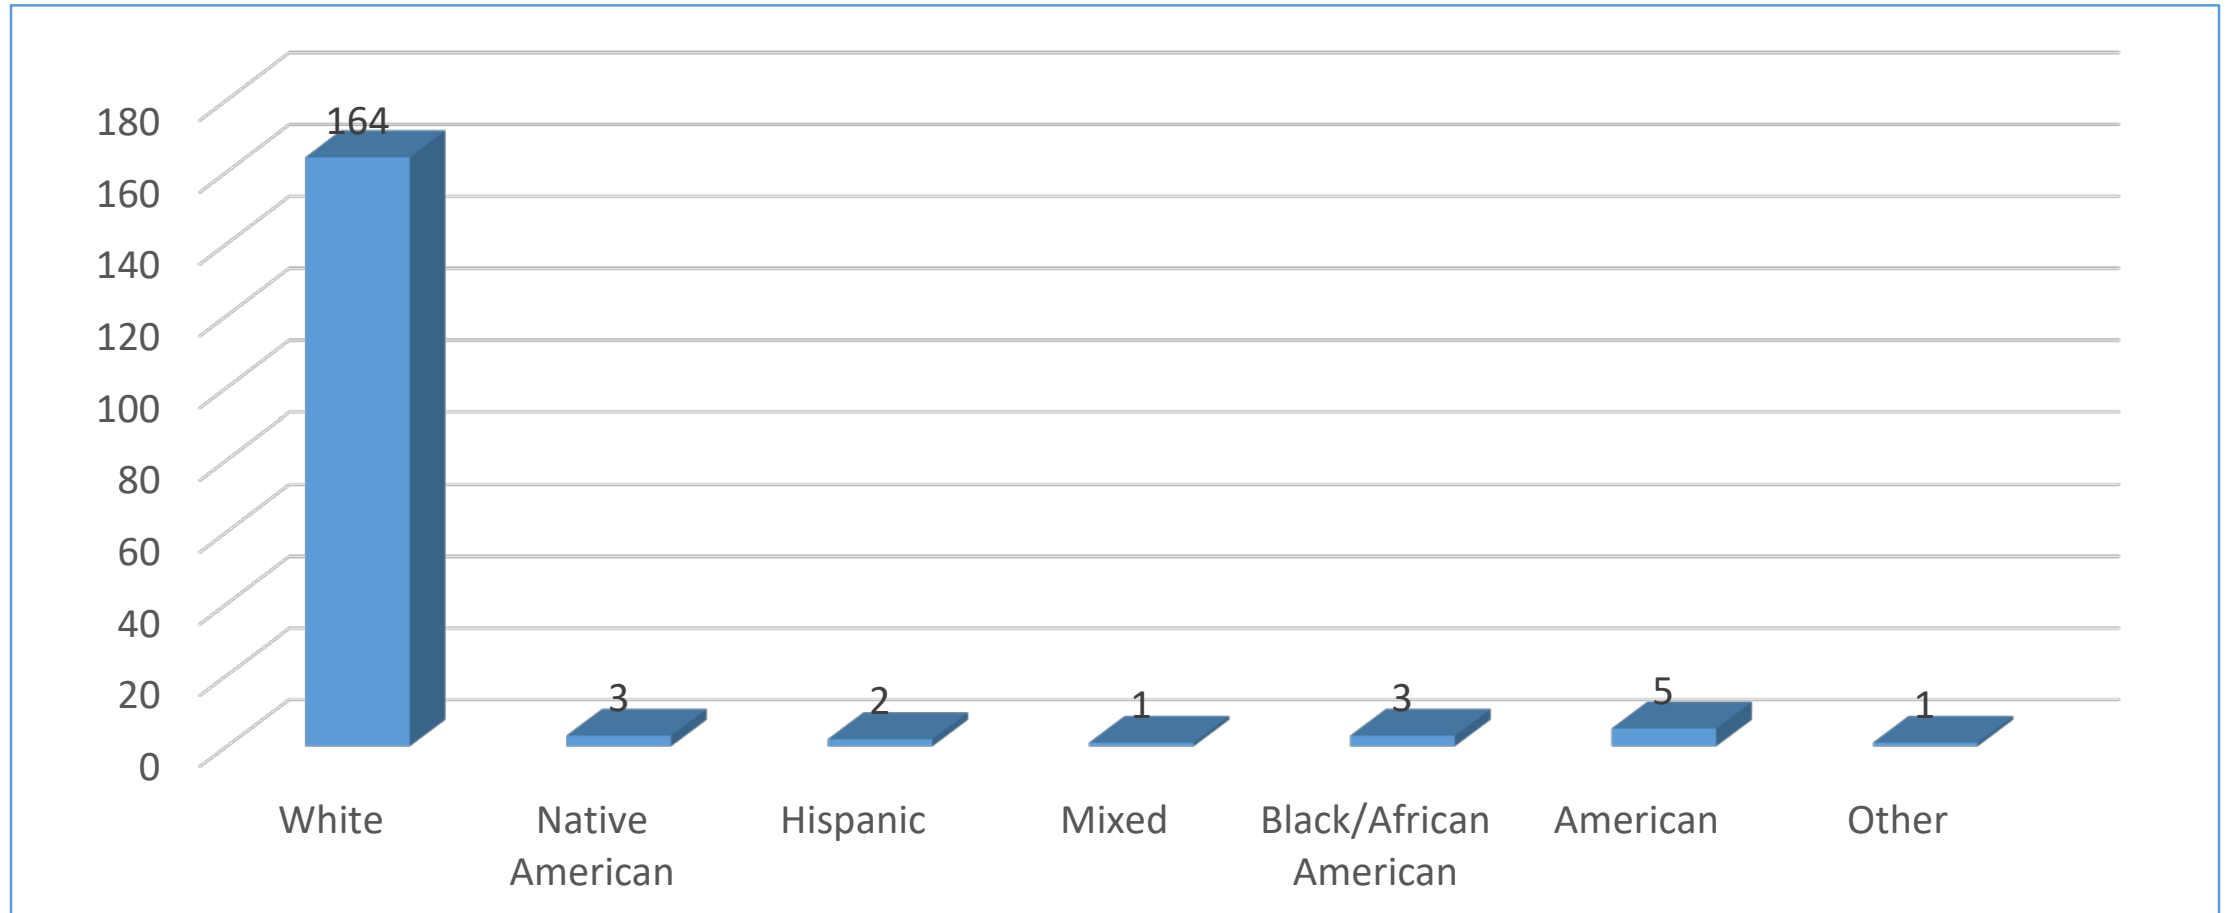

Car-Oriented or Walking-Oriented Communities Choice

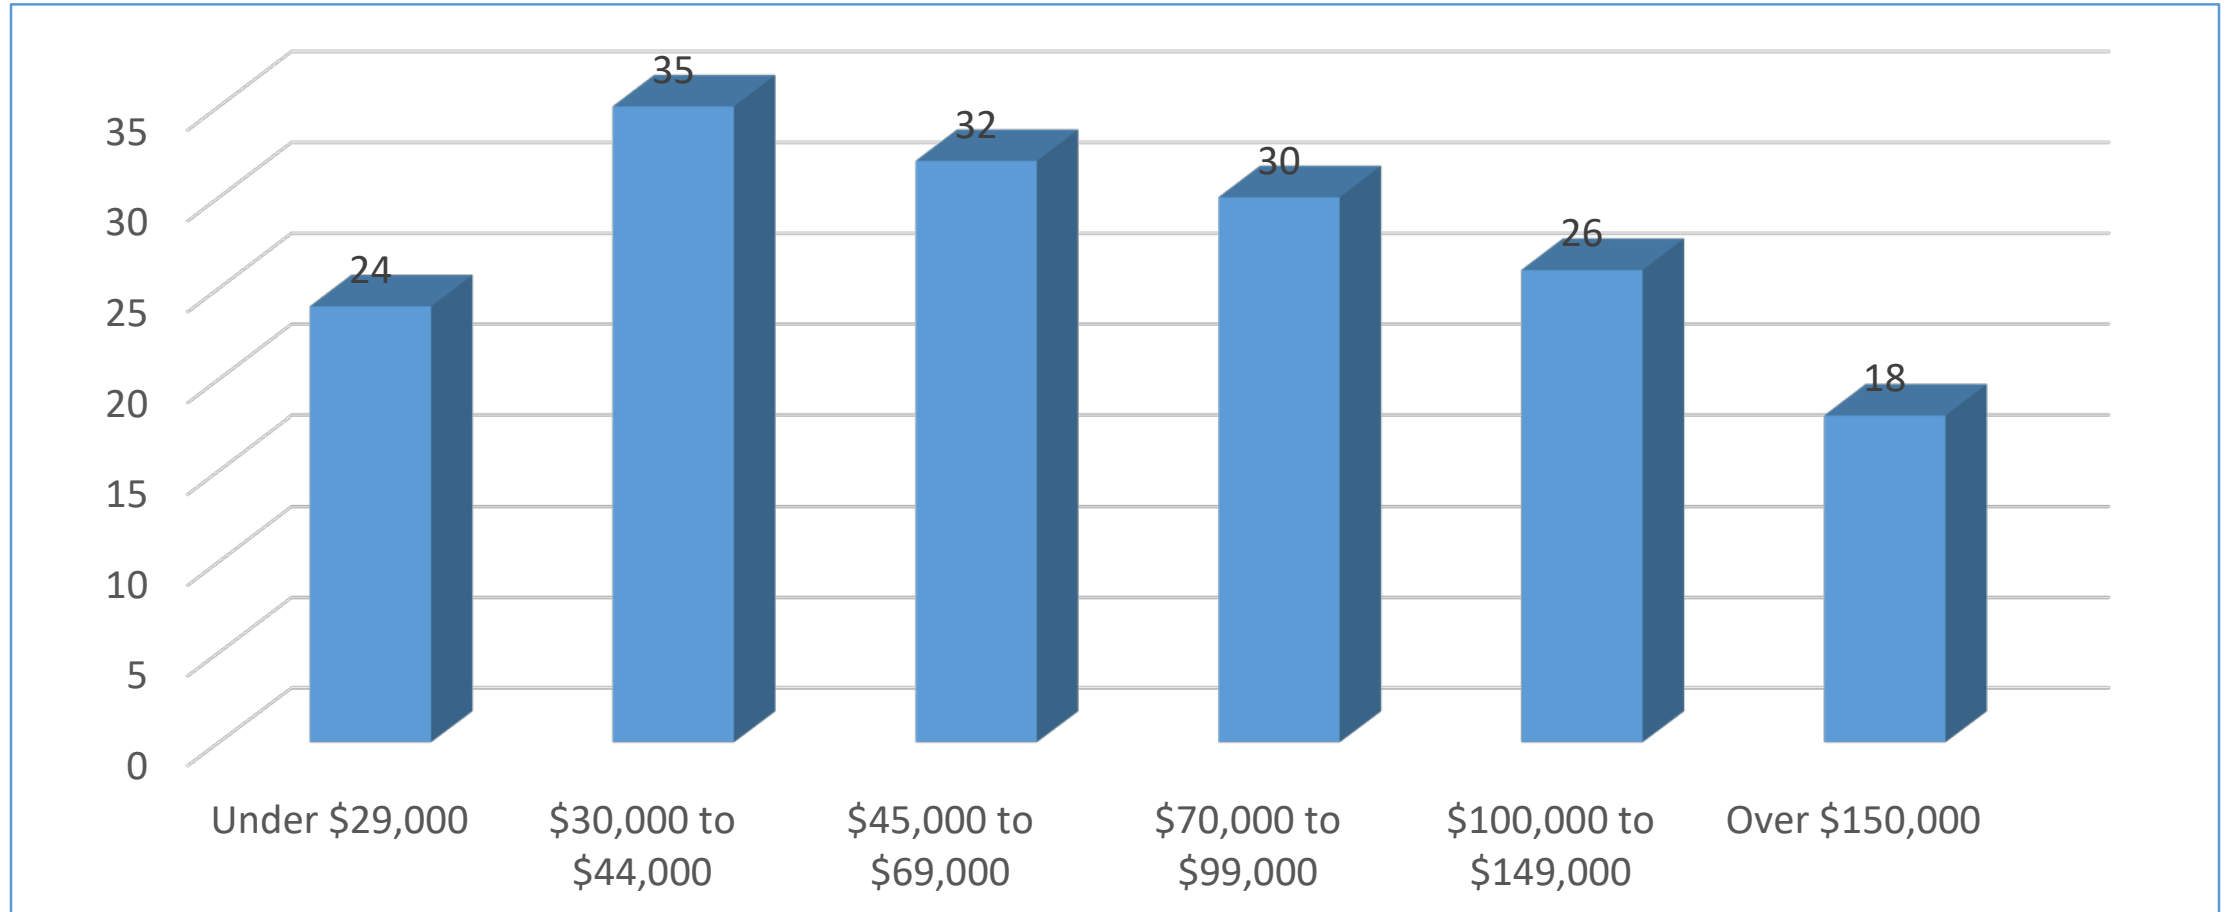

What is your age?

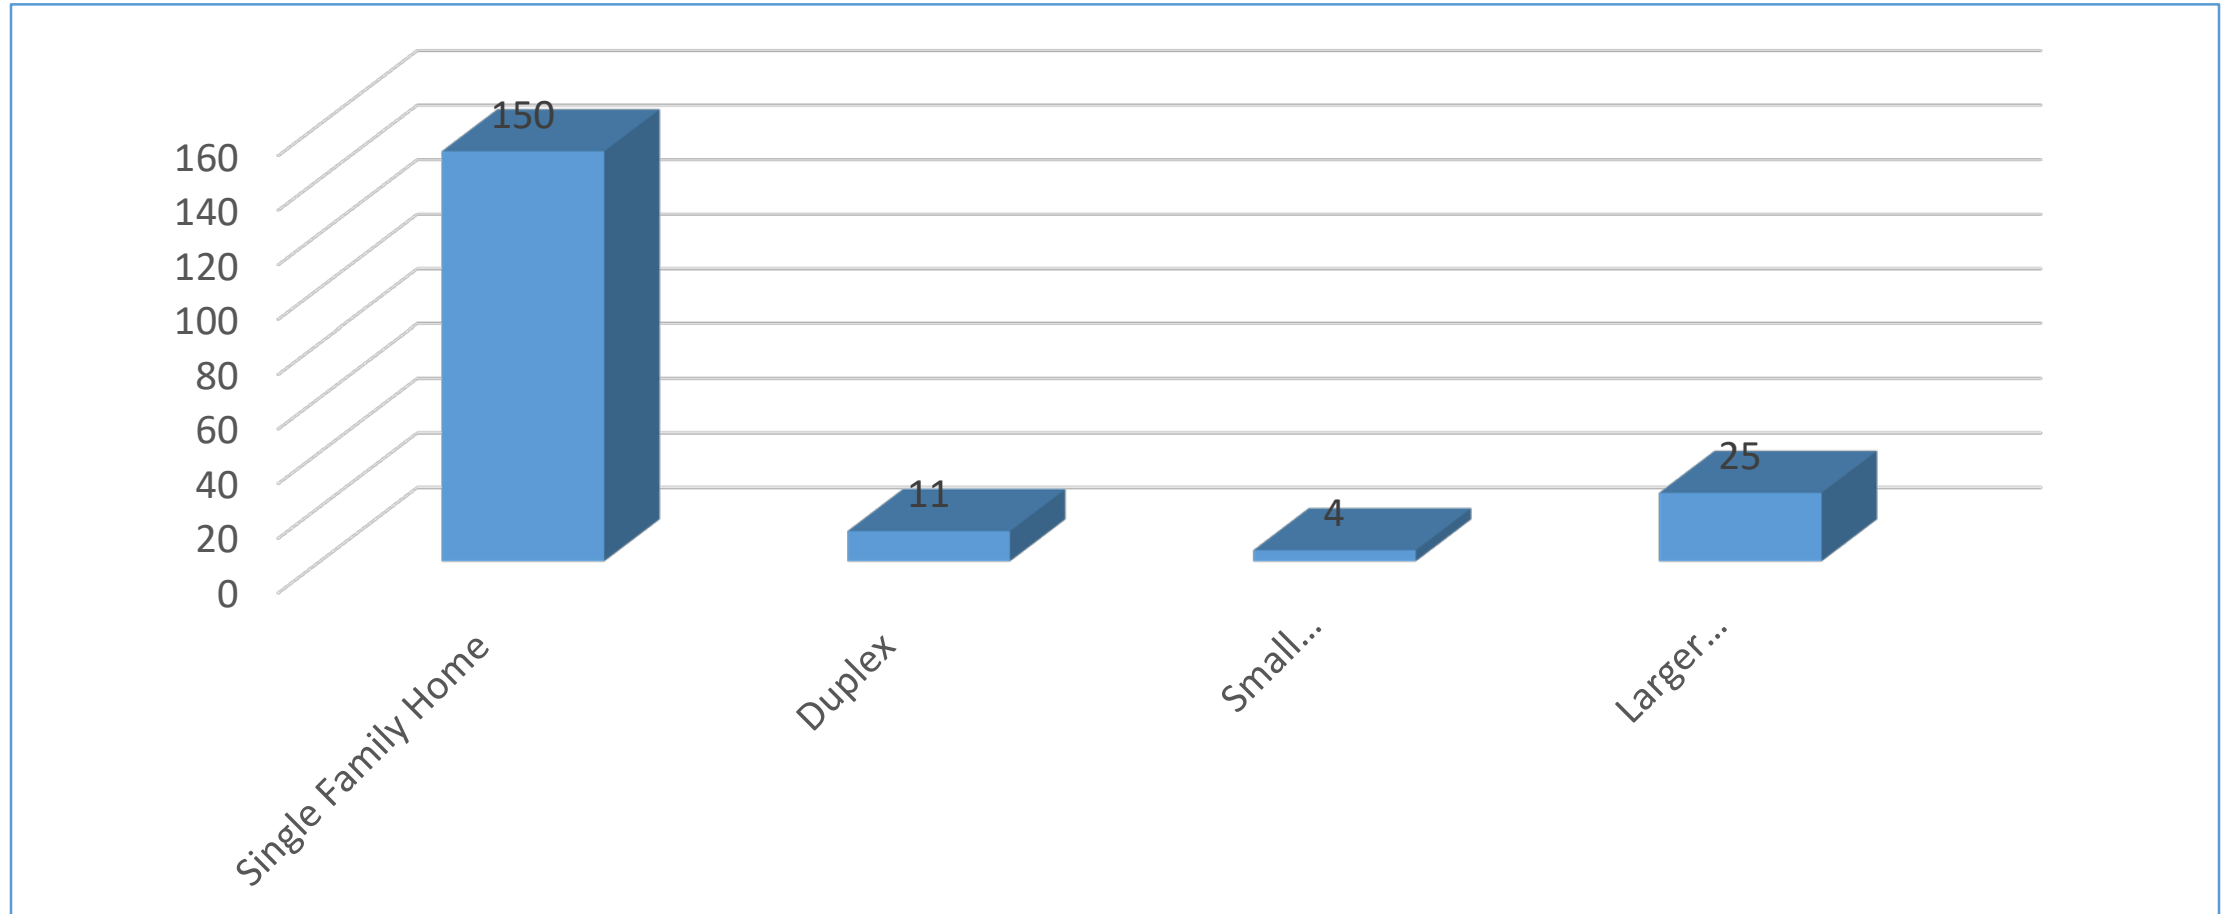

What race or ethnicity do you identify yourself as?

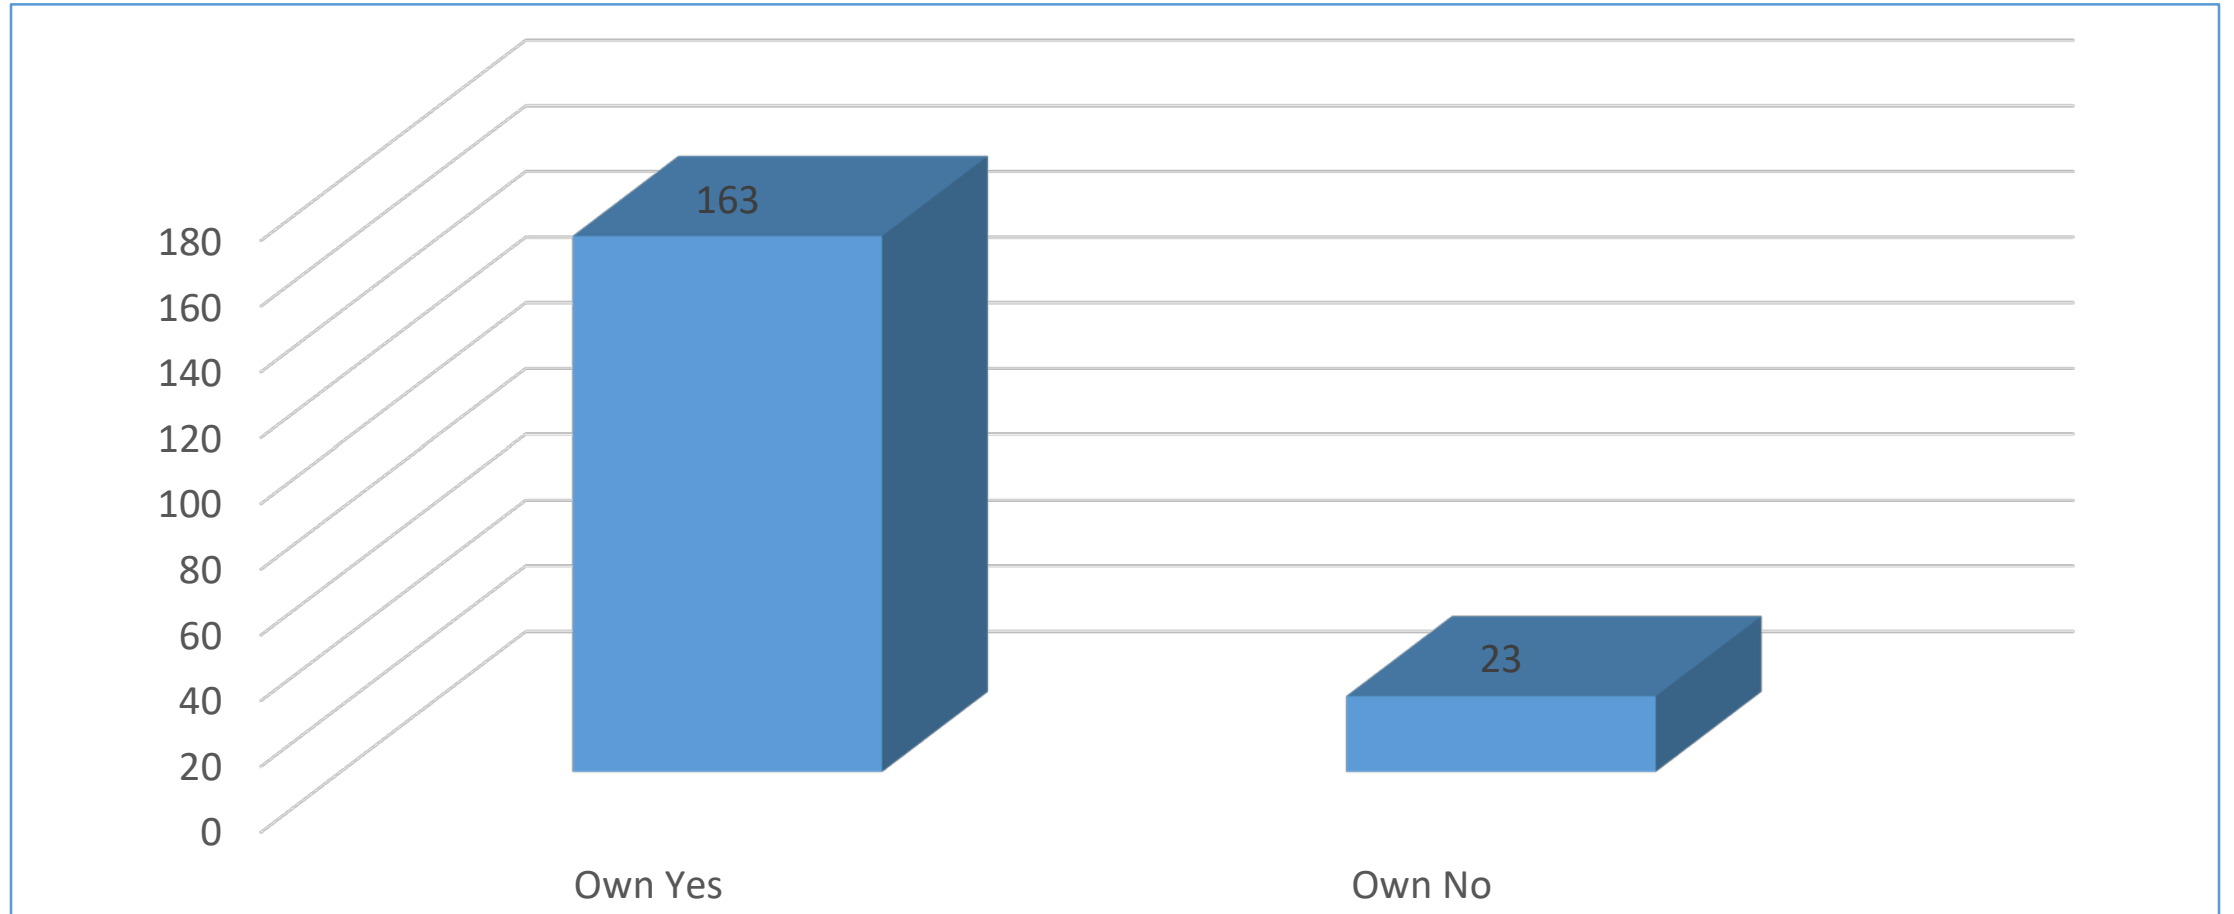

What is your annual household income?

Which of the following best describes your primary place of residence?

Do you own the home or unit you live in?
