Captain Bill Moss

Captain Moss' military career started when he enlisted in the Army Reserve in October 1970. He went to Basic training, Jump School and Parachute Rigger School the following spring. In the early 80's he received a direct commission as a Second Lieutenant. He became the Commander of the 861st QM Company (AER&S) which was deployed in support of Operation Desert Shield/ Desert Storm. While deployed he took 60 members to Incirlik Air Base in Turkey in support of Operation Provide Comfort where his unit in conjunction with a multi-National force; air dropped over 2,000 tons of aerial containers to feed the Kurds in Northern Iraq. He retired from the Army Reserve in 1996 having served 22 years, 20 years of which was on jump status.

He has worked for the Wilson County School System since 1986 as an Assistant Principal, Superintendent of Schools, Principal of the Wilson County Vocational Center and as Supervisor of Career Technical Education. He has been selected as CTE Director of the year by his peers and as Administrator of the Year by SKILLS USA, a State Youth Organization. Captain Moss contributes his success in life to the leadership skills he developed with his experiences in the military.
