If you have a location for your Business, please fill out the Emergency Contact Form. You are welcome to submit this application to me & I will send to LPD & LFD.

Also, if you have a location, please the 4 pages of the Business License Application Packet, you will need to verify with Zoning & Planning Department that your location is properly zoned for your business. You will need to see the Building Inspection Department to set up an inspection to receive your Certificate of Occupancy.

Please also remember if you have a City of Lebanon Business License, you are required to have a Wilson County Business License as well.
