DEFINITIONS

1. **ANNIVERSARY DATE** The most recent date of appointment to or employment in a classified position.
2. **ADJUSTED HIRE DATE** Also referred to as Service Date or Continuous Service Date. When an employee leaves the City's employment and is reinstated with less than a 12 month gap in employment, the months that the employee was absent shall be subtracted from the original hire date and that new date becomes the Adjusted Hire Date/Service Date. Employees reinstated after a 12 month or longer gap in employment shall be considered as a New Hire and will not receive an adjusted hire date.
3. **BENEFICIARY** Is the designated representative or estate that receives the TCRS pension or Empower 401k payments upon the retiree's passing. There are no beneficiary options for City OPEB and benefits cease upon the retiree's passing.
4. **CONTINUOUS SERVICE** The most recent period of employment with the city, excluding any unapproved leaves of absence or employment breaks with city service, as evidenced by separation from the city payroll.
5. **ELECTED OFFICIAL** is City Councilperson or City Mayor who is elected to serve in that position.
6. **ELIGIBLE** A person who has successfully met the required qualifications for retirement benefits.
7. **EMPLOYEE** An individual who is legally employed by the City of Lebanon and is compensated through the city payroll for his/her services. Individuals or groups compensated on a fee basis are not included.
8. **FULL TIME HIRE DATE** This is also referred to as a permanent hire date. This is the date that a part time or seasonal employee becomes Full Time.
9. **OPEB or Other Post-Employment Benefits** are non-pension benefits that the City provides to eligible retirees. Examples of OPEB principally involve health care benefits and may include dental, vision, a monthly cash payment/stipend and life insurance. OPEB benefits are evaluated annually by City Council, are subject to change during annual budget approvals and are further defined under this City of Lebanon Retiree Benefits Guide, which may be obtained from your Payroll & Benefits Specialist.
10. **ORIGINAL HIRE DATE** This is the employee's original hire date, the first time they are employed by the City.
11. **REHIRE DATE** This is the date an employee is re-hired by the City.
12. **RETIREE** A person having already retired under the guidelines of the City of Lebanon for other post-employment benefits and the guidelines of the Tennessee Consolidated Retirement System and eligible for a monthly benefit from TCRS.
13. **RETIRING EMPLOYEE** An employee who is terminating employment with the City of Lebanon, and meeting the qualifications of retirement under the guidelines of the City of Lebanon for other post-employment benefits and the guidelines of the Tennessee Consolidated Retirement System and eligible for a monthly benefit from TCRS.
14. **SERVICE DATE** This is the payroll date that is used for employees who are rehired with an absence of less than 12 months, it is also known as the Adjusted Hire Date or Accrual Date.
15. **SPLIT SERVICE** may be used to determine eligibility for retirement OPEB. Split Service may apply when an employee has previous service with another TCRS participating employer. The eligibility rules for split service are described in detail under **ELIGIBILITY**.
16. **STIPEND** This is the monthly cash payment that eligible retirees over age 65 and the retiree's eligible spouse over age 65 may receive.

17. TCRS is Tennessee Consolidated Retirement System. This is your defined benefit plan—providing lifetime retirement, survivor, and disability benefits for employees. TCRS permits employees to designate a beneficiary for a reduced benefit payment. Your Tennessee Consolidated Retirement System (TCRS) is recognized as one of the top 5 strongest pension funds in the United States.

GETTING READY TO RETIRE

Congratulations on your upcoming retirement.

This booklet was developed to help you understand your City of Lebanon retirement and other post-employment insurance benefits or OPEB as you make the transition to retirement.

Before you get started, you must establish your status as an eligible retired employee to receive any City of Lebanon Retired Employee Insurance Benefits.

Retirement eligibility and eligibility for City of Lebanon insurance as a retired employee are not the same. Please refer to the appropriate contacts in Payroll & Benefits for information on how to retire under the terms of Tennessee Consolidated Retirement System (TCRS).

TCRS retirement plans are managed by the State of Tennessee, not the City of Lebanon.

Please keep in close contact with your Payroll & Benefits Specialist well before you plan to retire.

City Policy does require that employees provide their Department Head and the HR/Payroll Department a minimum of 90 days advance notice of retirement to maintain eligibility for retirement insurance benefits.

LEGACY AND HYBRID TCRS ELIGIBILITY

There are two sets of eligibility requirements for Tennessee Consolidated Retirement System (TCRS). The plan in which you are participating in is dependent upon your hire date.

1. LEGACY PLAN

- a. Employees hired before 4/1/2015 participate in the Tennessee Consolidated Retirement System (TCRS) defined benefit plan that is the Legacy Pension Plan.

2. HYBRID PLAN

- a. Employees hired on 4/1/2015 or later participate in the Tennessee Consolidated Retirement System (TCRS) Hybrid Pension Plan, which provides a combination of a defined benefit plan and a defined contribution plan.
 - i. The defined benefit portion of the plan will be managed by TCRS.
 - ii. The defined contribution assets will be deposited into a 401(k) plan which is managed by Empower and employees can manage their investments within the 401(k) plan.
 - iii. Employees may elect to consult with an Empower representative for additional information on managing their 401(k) plan.

3. Your vesting schedule and requirements must be validated by TCRS at 1-800-922-7772.

4. Full Details of each plan are provided to you when you are hired and can be obtained by contacting your Payroll & Benefits Department.

TCRS Self Services

<https://mytcrs.tn.gov/DPAS.WebUI.Internet/Common/Pages/Login.aspx> enables you to view statements, update beneficiary information and submit your application for retirement online. If you need assistance with your online application, please make an appointment with your designated Payroll & Benefits Specialist.

Military service credit

TCRS may provide credit for your active military service under a separate application. You may obtain a copy of the Military Service Credit Application through this link and TCRS will evaluate if your military service qualifies for credit.

RETIRED EMPLOYEE INSURANCE ELIGIBILITY

In order for a retired employee or retired elected official of the City to be eligible for any retirement “other post-employment benefits” or OPEB (health, vision or life insurance benefit), they must meet at least one of the following criteria:

Retirement OPEB eligibility for Retired City Employees employed prior to July 1, 2014

1. retiring with 30 years of service at any age
2. retiring with 10 years of service at age 60 or older
3. “Years of service” shall include any Extended Sick Leave accrued, unused balance in that calculation.
4. Split Service: the rules of TCRS eligibility shall be used to calculate the “years of service” as follows:
 - a. Upon completion of thirty (30) years of service at any age, under the rules of Tennessee Consolidated Retirement System, the last ten (10) consecutive years being with the City of Lebanon
 - b. Retiring at age sixty (60) and completion of ten (10) years of consecutive service under the rules of the Tennessee Consolidated Retirement System and those last ten (10) consecutive years being with the City of Lebanon.
 - c. Service from a non-TCRS agency is not used to calculate eligibility.

Retirement OPEB eligibility for Retired City Employees employed on July 1, 2014 or later

1. retiring with 30 years of service at any age
2. retiring with 20 years of service at age 65 or older
3. “Years of service” shall include any Extended Sick Leave accrued, unused balance in that calculation.
4. Split Service: the rules of TCRS eligibility shall be used to calculate the “years of service” as follows:
 - a. Upon completion of thirty (30) years of service at any age, under the rules of Tennessee Consolidated Retirement System, the last twenty (20) consecutive years being with the City of Lebanon
 - b. Retiring at age sixty-five (65) and completion of twenty (20) years of consecutive service under the rules of the Tennessee Consolidated Retirement System and those last twenty (20) consecutive years being with the City of Lebanon.
 - c. Service from a non-TCRS agency is not used to calculate eligibility.

Retirement OPEB eligibility for Elected City Mayor

1. Being an elected City Mayor who has served two (2) or more consecutive terms of office with the City of Lebanon upon attaining sixty-two (62) years of age will be eligible for and provided coverage upon making application for coverage.
 - a. Retired City Mayor elected prior to 7-1-2014 is eligible to add dependent coverage and the same rules will apply as apply to Retired City employees hired prior to that date.
 - b. Retired City Mayor elected on or after 7/1/2014 is not eligible to enroll any dependents in OPEB and the same rules will apply as apply to Retired City employees hired after that date.

Retirement OPEB eligibility for Elected City Councilpersons elected before October 1, 2013

1. Being an elected City Councilperson who has served two (2) or more consecutive terms of office with the City of Lebanon upon attaining sixty-two (62) years of age will be eligible for and provided coverage upon making application for coverage.
 - a. Eligible, retired City Councilpersons under age 65 may enroll themselves and enroll their legal spouse who is also under age 65 in the City’s insurance. The rates will be offered at the same tier and amounts that are

offered to City employees.

- b. If either the Councilperson or the legal spouse is over age 65, they must withdraw from the City's insurance within 30 days, enroll in Medicare and may elect the stipend at the same tier and amount that is offered to City employees.
- c. Eligible, retired Councilpersons may only enroll their legal spouse at the time of retirement in OPEB yet may not enroll any other dependents in OPEB. If single at retirement and later gets married or remarried, the new spouse is not eligible for OPEB.
- d. Eligible, retired Councilmembers may receive an individual life insurance policy under the same terms and benefit amount that is offered to retired City employees.

Retirement OPEB eligibility for Elected City Councilpersons elected on October 1, 2013 or later.

1. Councilpersons elected after October 1, 2013 are not eligible for retirement OPEB.

Additional retired employee eligibility considerations:

1. For the OPEB eligibility criteria of years of service, the years of service shall be calculated from the original or adjusted hire date aka "service date" (allowing rehires of less than 12 months away from City).
2. Approved FMLA or ADA leave time shall be included when calculating service date.
3. Absences that are unpaid administrative leaves or unpaid non-FMLA/ADA leaves will not be included when calculating years of service.
4. "Years of service" shall include any Extended Sick Leave accrued balance when making an eligibility determination.
5. Employees who leave the City and are reinstated after being absent for 12 months or longer shall have the most recent rehire date used as the "service date" for the purpose of calculating years of service.
6. Employees and Elected Officials who plan to retire and intend to take OPEB are required to notify the City of Lebanon HR/Payroll Department in writing no less than 90 days in advance of the retirement date. Failure to provide 90-day advance notification will make the employee ineligible for OPEB.
7. It is the individual retiree's responsibility to validate their "service date," years of service, and eligibility for OPEB with HR/Payroll Department prior to retirement.

DEPENDENT ELIGIBILITY FOR OPEB COVERAGE

RETIRED EMPLOYEE HIRE DATE PRIOR TO 7/1/2014

DEPENDENT ELIGIBILITY VERIFICATION
